Temple Beth Shalom

Yom Kippur  
5782

May you be inscribed for the blessing of  
health and peace.

As the ten days of repentance draw to a close, we direct our minds and our hearts towards a renewed sense of purpose. May the special feelings that have emerged from time spent with our loved ones serve to remind us of how important our synagogue, our community, and our faith are to the Jewish people.

When the echo of the final *t'kiah g'dolah* marks the conclusion of this sacred day, may it be an inspiration to renew our commitment and connection to ourselves, to our synagogue, and to God.

*B'shalom,*  
Rabbi Ari Goldstein  
President Merv Wyllie-Brause  
Cantor Josée Wolff

*Many thanks to Sisterhood for  
providing light refreshments  
to break the fast following the  
N'ilah service.*

*Please do not linger, drink, or  
eat in the lobby. Feel free to  
schmooze outside and at a safe  
distance.*
