Please join him in classroom 2 following the *Yom Kippur* morning service.

High Holy Days Food Drive

Temple Beth Shalom collects food annually for My Brother's Pantry. As we fast on *Yom Kippur*, let us help care for those for whom inadequate food is not a choice.

We encourage you to fill one or more grocery bags with non-perishable food and bring them on *Yom Kippur*. The bags distributed on *Rosh HaShanah* came with lists of needed food.

Social Action Committee volunteers will accept your donation at the truck parked in the parking lot on *Yom Kippur*.

Should there be a fire emergency, an audible announcement will be made over the sound system. It is essential that people can safely evacuate the building without being put at any risk. Fire exit routes must be kept clear at all times. Please take a minute to locate the nearest EXIT sign. Please help anyone who needs assistance.

During most High Holy Days services security officers will be on duty. The ushers are aware of emergency security procedures. So, if you notice anything suspicious, please let an usher or an officer know immediately.

*May you be inscribed for the blessing of
health and peace.*

As the ten days of repentance draw to a close, we direct our minds and our hearts towards a renewed sense of purpose. May the special feelings that have emerged from time spent with our loved ones serve to remind us of how important our synagogue, our community, and our faith are to the Jewish people.

When the echo of the final *t'kiah g'dolah* marks the conclusion of this sacred day, may it be an inspiration to renew our commitment and connection to ourselves, to our synagogue, and to God.

B'shalom,
Rabbi Ari Goldstein
President Michael Rubenstein
